

Hello,

Due to the bad weather conditions of January 15th, we moved the celebration to January 21th, keeping the same activities and with a spectacular sunny day.

The program was:

- 10.30h Musher Kids: dogsled ride with Huskyman for children under 8 years.
- 10,30h Snowpark for Kids: Special lines for children with new modules.
- 11.30h Skiing with the Aramon Cerler mascot "Skity" and take photos with him.
- All day - Snowspeed: measures your speed down in our special ski run.
- All day - Mini slalom: Join the slalom exclusively for kids!
- 14.00h Chocolate Party: free hot chocolate for all the kids participating.

The children who participated in the activities received a ticket to get a free glass of hot chocolate at the end of the day. A total of 120 chocolate tickets were distributed, although more children could participate in the activities throughout the day.

Next year we will repeat the event!!! We put to work on new ideas!!

We will keep in touch,

Carlos Palomero Écija
